Hi Joe,

My daughter Emma and I were at your tryouts on Sunday and she was chosen to your 16-1 team. (She's still on cloud 9) I have been around sports most of my life at high levels and have been to many tryouts throughout that time. I wanted to know how impressed I was with your club and how you and your staff handled tryouts. We are new to your club but from check-in, to Emma receiving her uniform, everyone was extremely polite, helpful, and fun to be around. I complement you and your staff on building such a hardworking and positive environment. Thank you.

Make it a Great Day!
